

"It was moving to attend the FTS Training Conference this year through Y-Malawi. I worked alongside FTS with young leaders, established Pastors, and Church Planters as they honed their skills and grew in knowledge of the Scriptures to fulfill the Great Commission and groom others to do the same."

—Dr. Roland Niednagel,
Lifelong Leadership Network International

Fishers Trainers Senders (FTS)

Equipping Malawi's future leaders

How would you develop future leaders who cannot afford or have access to formal training, books and other basic training materials and opportunities that are so desperately needed?

Through FTS, young leaders and denominational leaders alike benefit from the Jesus Model of life training. FTS reaches out to Malawi's communities with Jesus Christ through prayer, evangelism, discipleship and mission principles, in addition to desperately-needed practical life training skills.

Louise Laubscher, director of FTS, truly lives their mission statement every day as she and her team faithfully train missionaries in this generation to reach their present communities and have an impact on the generations to come with the Gospel of Jesus Christ!

Support for FTS

Give Louise and her team the support they desperately require to continue their effectiveness among the villages of Nkhoma. Your gift will go towards the following immediate needs:

- Office equipment and computers
- Need for additional team members
- Training of FTS team members
- Training through area retreats
- Women's development programs
- Expansion of children's ministry
