

“ . . . for you have been my partners in spreading the Good News about Christ from the time you first heard it until now.”

—Philippians 1:5a (NLT)

World Vision®

Building a better world for children

World Vision

Focusing on children for more than five decades

World Vision is a Christian humanitarian organization dedicated to working with children, families, and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice. Motivated by faith in Jesus Christ, they serve alongside the poor and oppressed as a demonstration of God’s unconditional love for all people. World Vision serves all people, regardless of religion, race, ethnicity, or gender.

World Vision provides hope and assistance to approximately 100 million people in nearly 100 countries. In communities around the world, they join with local people to find lasting ways to improve the lives of poor children and families.

In Malawi, as one of Y-Malawi’s key partners, World Vision provides some of the infrastructure, including field personnel and ground support necessary to implement the Y-Malawi programs. When you and your loved ones provide gifts like goats, cows, seeds, vocational training, and fruit trees through the Y-Malawi catalog, World Vision is one of the partners that Y-Malawi invests with for delivery of those gifts to the areas and people of greatest need within Malawi.

“Through Y-Malawi, the poor of Nkhoma are experiencing the power of Christ’s spirit in the rebuilding of their lives and community. I know because I’ve personally seen it both in the Malawian communities and in the churches involved here in the US. World Vision is honored to be a partner in this God-honoring venture of faith!”

—Steve Haas, Vice President, World Vision

Nkhoma Orphans Project

For the children of Nkhoma who have lost parents to AIDS, every day can be filled with fear and uncertainty. Help replace fear with hope for 5,000 orphans and vulnerable children with a gift to the Nkhoma Orphans Project. You’ll help local World Vision staff respond to high-priority needs like food assistance, education, clean water, job training, and age-appropriate HIV-prevention education based on biblical principles.
