

## Y-Malawi Prayer Team

“The prayer of a righteous man is powerful and effective”, James 5:16

Do you believe in the power of prayer? We do, and we are looking for people like us, who believe that God hears our prayers and responds to them. People who will join with us in prayer for the needs of this ministry, and for the people of Malawi. This is not a “well this is all I can do” thing. This is the most powerful way you can help.

It's simple. Once you enroll Y-Malawi will send you an email once each month with prayer requests for that month. We ask that you pray with us each day. Many print out the message as a daily reminder. The following month we will share how God has answered our prayers, and offer new requests for the upcoming month.

As a part of the Y-Malawi prayer team you are joining hands and spirit with others all over the globe to Open Hearts for Change. God has, and is doing some amazing things in Malawi, in part because of the faithfulness of those partnering with us in prayer every day. Yes, prayer changes things. It might just change you too.
